# VISION

Manisha International School blends tradition with modernity and aims at inculcating intrinsic values integral for moulding impressionable minds of the present generation and fostering in them the proper perspective and wholesome attitude to face the world.

# MISSION

To strive for Academic Excellence and inspire Creativity; to aim at inspiring the child to assimilate constructive thinking so that vivacity and virtue co-exist and hence build up a good personality;

To inculcate self-reliance and self restraint, courtesy, confidence and co-operative leadership qualities; to attain the mastery of skills of communication and learning; to instill social awareness and sense of dedication to the cause of social justice; to bring forth all that is the best and the noblest in a child;

To bring forth holistic education with a view to groom students with well informed, balanced views and opinions to expose them to a broader international milieu.

## WE ARDENTLY BELIEVE

- Modern Civilization teaches us to convert night into day and golden silence into brazen din and noise.
- Intelligence is quickness to apprehend as distinct from ability, which is capacity to act wisely on the thing apprehended.
- Sow a thought and reap an action, Sow an action and reap a habit, Sow a habit and reap a character, Sow a Character and reap a destiny.

The Rahul Foundation, established by Mr. R. N. Majumder, an enlightened industrialist, is a registered trust committed to provide an education system which reflects quality, excellence and innovation. These Educational Institutions impart the most modern skills through innovative teaching, a high level of technological advancement, some of the best infrastructure and facilities and a welcoming multi-cultural society enjoying a quality life style in a safe environment. As the opening up of the economy has ushered in a paradigm shift in the industrial and service sectors, calling for corresponding changes in the academics, especially, in engineering, management and technical education, the Foundation has nurtured many aspiring minds with loving care in its span of existence. The institutions of the Foundation have blazed a trail in their respective fields. They have proved beyond doubt that right education supplemented by proper guidance can work wonders.

The courses offered have been designed and structured in tune with the present market need. At present nine institutes run successfully that help students to launch their careers and set them apart in the eyes of employers. The combination of high qualifications and access to the latest technology and research excellence opens doors to many opportunities. Rahul Foundation has received widespread appreciation from not only students and their parents but also from the print and electronic media. In spite of having being thrust into the limelight because of its versatile activities, Mr. Majumder loves to work silently and tries to give a concrete shape to his dreams.

## *A Profile in Success*

Bearing in mind that education is the only tool that uplifts the standard of society, there is a very wide prospect behind providing the base of higher education by Manisha International School, which has already established its gracious presence in and around the region. I believe true education is that which enlightens a soul and also believe that a human being with an enlightened soul is righteous and can truly contribute to the development of the nation.

Education is not all about bookish knowledge but also character development. The school has a vision of becoming the source of knowledge and strengthening the children in the way of transformation to a true human being with a strong character. My dream is that Manisha International School is to be considered as the most prestigious school under CBSE curriculum with all the modern facilities not only in Durgapur and Asansol region but even in the Eastern region also.

Down the ages our concept of education has undergone gradual metamorphosis. Yet the intrinsic values and principles have generally remained unchanged. I think that the major function of education is to inculcate a desire to evolve the students' mind in various aspects. With this Vision Manisha International School has forged ahead with a mission to hone and integrate the personality of every student under its fold. It is our aim to help all students to achieve a level of excellence in their chosen fields and attain goals. Manisha International School is my dream project. Simply dreaming will not do the magic but sincere hard work will surely do. This is my endeavour to bring Manisha International School up to that level where parents would long to send their children. I assure the parents that we at Manisha International School would keep no stone unturned to make good human beings and citizens out of our students with your cordial co-operation & support.

Recently Manisha International School has joined its hands with leading institutes for regular coaching. During the process of development the tender minds should also have some spiritual bending so that they can build a strong mental health and know about the inner spirit of rich Indian culture. Frequently we arrange meditation sessions, seminars and interactive sessions with Swamis and monks which help the students of Manisha International School to build a good moral and pleasant personality in Engineering, Medical and other competitive examinations.

Secretary

# From the Principal's Desk

*"Children must be taught how to think, not what to think"*  
- Margaret Mead

We believe in the perfection that exists in each individual and that can be manifested through the right guidance on the part of the School. There is a spark of genius in every student which needs a teacher to kindle it. We as facilitators, try to imbibe in our students the value of courage, honesty, curiosity along with a spirit to work hard and be an achiever which will help them make the world an even better place to live in.

**Manisha International School aims at :**

Mastery in communicative skills

Clarity, coherence, independence in thoughts.

An appreciation of scientific, economic and political ideas and practices physical and mental health and hygiene ethical and cultural values.

The school achieves its mission when each and every child succeeds. Thus, the Manisha International School is totally committed to modernizing education and unlocking the potential of Indian youngsters coming from all walks of life.

We specially seek co-operation of the Durgapur, Panagarh community and parents in this man making project towards a better society.

We thank parents and guardians for choosing Manisha International School as a dais for their children's future and hope that they will spend quality time with their children's and understand the school's policies, Constructive suggestions from our respected parents and well wishers will take us higher on the ladder of success. Let us work together towards a better world!

- Dates for the tests and the interview will be notified by the school authority.
- The candidates must appear for an admission test on the appointed day.
- The parents may also be interviewed.
- At the time of admission the birth certificate issued by the local government authorities in the case of classes Nursery, KG & I and TC issued by the previous school in the case of the other classes must be produced.
- The minimum age of admission to Nursery is 3+ in the year of admission.
- After admission the date of birth shown on the TC issued by previous school on no account can be altered.
- Admission will be strictly based on the merit of a student. (Registration does not guarantee admission of any child.)
- Admission test is to be held for all the students from classes IX to XI followed by an interview.

# Students' Facilities

## Boarding Facilities

From class III onwards boarding facilities are provided to the children who want to avail the service. Regular afternoon and evening classes are conducted by teachers who take the utmost care of them and offer their best to clarify their problems. Day boarding facility such as breakfast, lunch and extra tutorials are provided to those who wish to enjoy the opportunity.

## Morning Assembly

The children and staff members begin the day with freshness, vivacity and divinity through the Morning Assembly which is conducted by each class or house on a weekly rotation basis. It begins with the religious songs followed by news, thought for the day public speaking, extempore speech, amazing facts, word power, pledge and National Anthem. This helps the students to develop the power of facing the audience with courage and boldness. News from all corners and walks of the world keep them informed of the global events and happenings.

## Full-fledged, well-equipped Montessori Unit

MIS has various attractive teaching aids and playing facilities to make learning a pleasure. The self corrective materials are provided and through a process of trial and error self correction, a child learns to show patience, persistence and concentration.

## A DIGITAL DISPLAY OF TEACHING IN CLASSROOMS

Well-ventilated, airy, spacious, digitalized classrooms are provided to the students that gives a conducive environment to each and every child to breathe freely and be reasonable and creative. The latest modern technology initiated in the classrooms helps the students to widen their knowledge spectrum and be technologically developed to keep in pace with the future advancement.

## LIBRARY

The school library is a real source of joy to the young book lovers of the school. Our library is equipped with a good range of books on various subjects, the periodicals, educational magazines and journals, teaching aids, charts which provide a great source of knowledge to the students.

## ENGLISH LANGUAGE LAB

English Language Lab is opened to encourage free communication of students in English with teachers as well as with themselves through different activities and exercise essential to oral communication and the understanding of the language. The students can watch videos, practice their pronunciation through a speech recognizer, learn new vocabulary and much more in a visually attractive way, This language leaning environment promotes their language use and helps to build in them confidence.

## MATHEMATICS LAB

The setting up of a Math Lab helps the students to learn abstract thinking through concrete activities and using charts, graphs, pictures, posters etc, enables to discover several geometrical properties and facts using models, helps in making use of all the progressive methods like inductive, analytic, laboratory, heuristic and project methods in the teaching and learning of mathematics, provides opportunity to exhibit the relatedness of mathematical concepts with everyday life and thus builds interest and confidence in learning the subject.

## Science Laboratories

The school possesses its own laboratories to quench the curiosity of the scientific minds. The school has fully-equipped Physics, Chemistry, Biology and Mathematics laboratories. Students are provided with all possible aids and instruments for their practical so as to convert their imagination into reality.

### **SOCIAL SCIENCE LAB**

A Social Science Laboratory consisting of quality globes, extensive set of maps and charts, sketches, several pictures related to History, Geography and Civics topics, models and samples of different types of geographical phenomenon, tools and equipments combined with classwise manuals and lab video experiments is newly installed to bring interactive and experiential learning among the

students in Social Science and thereafter inspire them to grasp the subject with more attention.

### **COMPUTER LABORATORY**

An all comprehensive, self-contained computer laboratory has been installed to produce computer knowledge on much better terms. Students are taught the modern and the latest developments in computer under the guidance of trained teachers and Smart Board Classes.

### **MUSIC AND DANCE ROOM**

The students get an opportunity to create their innovative talents in the field of Indian Classical music and dance forms. They are also taught to play various musical programmes organized in the school campus.

### **ART AND SUPW ROOM**

The room is specially designed for children to give shape and reality to their independent thinking with colours and other SUPW materials and thus discover their own potentials.

### **STUDENTS' CAREER COUNSELING**

Time & often Career Counseling sessions are conducted by the Principal and the professions helping the students in deciding the right career path for themselves according to their interest and skill. These classes help the students to understand individual career choices, areas of strength and weakness and work accordingly for improvement.

### **CO-CURRICULAR ACTIVITIES**

MIS strives for an all-round development of our pupils. We train the children in various co-scholastic activities like elocution, dramatics, story telling, recitation, drawing, extempore, music, dance, art and craft, debate, calligraphy etc. The different Activity Clubs provide the children to expose their innate talents and to gain excellence in the field. The individual talents of the children in the field of co-curricular activities are adequately highlighted at the occasions of school concert, annual sports an inter-school competitions.

### **DRAMA CLUB**

A Drama Club is dedicated to bringing the joy and power of Drama to students by providing high quality dramatic programming at the beginner and intermediate levels. It pledges to offer the participant the chance to experience the excitement and rewards of theater arts while developing poise social skills, confidence and the ability to work with others.

### **DANCE ACADEMY "NRITYANJALI"**

Dance Academy "Nrityanjali" has been inaugurated in the school for the interested home as well as outside school children of all age groups on every Sunday morning by skilled professionals at affordable cost. High quality intensive training in dance forms is imparted to the learners which helps them not only to sharpen their Movement Art but also gives them a platform to explore their hidden innate dancing talents and let them get exposed confidentially in public in the near future.

### **GAMES AND SPORTS**

Sports is not only a manifestation of animal energy but a safe wholesome outlet of aggressive spirit in human being. Through games one gets the opportunity to face many of the factors that affect one's identity - namely interaction with others, leadership qualities, representation, etc. The school has provision for Yoga, Martial Arts, Table Tennis, Badminton, Chess, Carrom, Football, Cricket, kho-kho, Basketball, Volleyball, Kabaddi & Annual Sports etc.

### **KARATE AND YOGA**

Special classes of Karate are arranged in the campus where the instructors train the students in martial art. This helps them learn to defend themselves from sudden attack.

Special yoga classes are also conducted which teach the students about self-discipline, power of concentration and meditation.

### **EDUCATIONAL TOURS / EXCURSIONS**

Educational tours/excursions are arranged for students to acquaint them to gain knowledge directly from the practical world, to develop their aesthetic sense and observe, explore and judge environment, to develop cooperative attitude and leadership skills, to motivate for self study and self-activities and to help in the development of creative faculties.

# Students' Care

## RFID CARD FOR STUDENTS

- ❑ Parents will get an immediate SMS as soon as their children enter in the school and exit.
- ❑ Helps to get rid of manual roll call for attendance.
- ❑ No paper work for official matters of school, bus service, hostel service, library management, accounts management and online result publication etc.

## SAFETY AND SECURITY

A team of dedicated and professionally managed security efficiently looks after the protection of the school campus. The Boarders are provided separate beds and cupboards to ensure individual privacy. Each dormitory is looked after by wardens and other supportive staff.

## SEPARATE BOYS AND GIRLS HOSTEL

There are two separate hostel buildings for the boys and girls to ensure their individual privacy and security. The boarders are housed in dormitories with separate beds and cupboards. Each dormitory is looked after by wardens and other supportive staff. The hostel supers inspect the whole building at every moment with utmost attention. Besides, the teaching staff, residential staff, and senior students take personal interest in each boarder's progress, guidance and encouragement.

## MEDICAL AID

Renowned doctors from our Medical College and Hospital (Corporate) conduct health check-up of the students inside the campus. The school has advance first aid kits and medicines to meet any first hand emergency.

## MEALS FOR DAY BOARDERS AND BOARDERS

Fresh, hygienic and nutritious food is available in the form of breakfast, lunch, snacks and dinner. A diet chart is strictly followed taking into consideration that adequate proportion of all the nutrients are present in the diet of every student.

## CONDUCTIVE ENVIRONMENT

MIS provides an environment where children reasonably enjoy their childhood, breathe comfortably, enjoy the liberty to be creative, interact freely in a friendly way with peers and get the opportunity to discover themselves.

## FACULTY : TEACHERS' ORIENTATION PROGRAMMES

In an attempt to inculcate among the teachers the quality of self-reliance and to discover their potentials through innovative teachings, the school organizes Teachers' Orientation Workshops where the teachers are trained in the different methods of creative teaching with the ever changing technology equipping them for better assessment and care towards their students. To keep pace with the changing dynamics of teaching process, these programme help the teachers to remain updated and develop confidence in classrooms.

## EXAMINATION PATTERN

From Nursery to class II the candidates are tested informally promotion is to be granted on the all round progress of the child during the year. From class III onwards till class IX. According to the CBSE curriculum, examination will be conducted in the following way.

From class Nursery to IX. Three periodic Tests, Two Term Examinations - half yearly and Annual.

Class X - Three periodic tests, Half Yearly Exam, class tests, Pre-Board and Board Examination.

Class XI - Two unit tests, Two term examinations Half Yearly and Annual.

Class XII - Two unit tests, Half Yearly Exam, class tests, Pre-Board and Board Examination.

The assessment procedure for all classes would be a stress free method.
